PO BOX 516
LANNON WI 53046

Re: Description: SEWAGE TANKS, STEEL
Manufacturer: LANNON TANK CORPORATION
Product Name: HOLDING
Model Number(s): 3014 / H14B
(L.L. 49", 60" MAX. DEPTH OF BURY, 3014 TOTAL GALLONS)
Product File No: 20060063

The specifications and/or plans for this plumbing product have been reviewed and determined to be in compliance with chapters Comm 82 through 84, Wisconsin Administrative Code, and Chapters 145 and 160, Wisconsin Statutes.

The Department hereby issues an approval based on the Wisconsin Statutes and the Wisconsin Administrative Code. **This approval is valid until the end of March 2011.**

This approval is contingent upon compliance with the following stipulation(s):

- This tank must be designed to withstand the pressures to which it will be subjected.
- The manufacturer must keep at the manufacturing plant a set of plans and specifications bearing the department's stamp of approval. The plans and specifications must be open to inspection by an authorized representative of the department.
- The products produced by this manufacturer are approved to use the following:
 - Flip top access cover or bolt down cover with or without gasket.
 - 6", 8" or 10" threaded plug in access covers.
 - 4" vent connection in access cover.
 - 4" diameter suction pump extension with coupling.
 - 4" or 6" diameter inlet.
- For coatings of underground steel tanks, the following cathodic protection requirements will be provided by the manufacturer prior to leaving the plant, either:
 1. All exterior surfaces will be fiberglass coated; or
 2. All exterior surfaces will be polyurethane coated at the plant with either welded on or bolted on anodes.

This approval supersedes the approval issued on 3/13/2006 under product file number 20060063. This approval letter shall be incorporated with your previously approved plans and/or specifications approved under product file number 20060063.

As of May 15, 2008, a copy of a successful water tightness test report for this product must be AVAILABLE FOR INSPECTION AT THE MANUFACTURER'S PLANT prior to this product being used as a POWTS holding or treatment tank in Wisconsin. The department is in no way endorsing this product or any advertising, and is not responsible for any situation which may result from its use.

Sincerely,

Jean M. MacCubbin, CST
